Dear Sir,

SUBJECT CORPORATION ELECTIONS

I write to state that Corporation Elections have to be held in December 1953 You may be aware that the electoral rolls of the Corporation and that of the Legislative Assembly have to be prepared on the same basis of adult franchise with only slight variations relating to residential qualifications It is therefore proposed to adopt the existing amended rolls of the Legislative Assembly for Corporation elections also after making the necessary amendments to the said rolls as required by the Corporation Act

In this connection it may be mentioned that 250 copies of the electoral rolls for Legislative Assembly were printed in 1952 and that subsequent amendments to the above rolls are now being printed to be added on to the original rolls These rolls are intended to be kept for five years and on the expiry of that year fresh rolls will have to be prepared and printed by the Government

On a rough calculation with regard to the requirements of the copies of rolls to the Assembly election it is found that 40 copies of rolls of each division are more than sufficient Since the Government have already got printed 250 copies for each of the divisions, I request that the Government may be pleased to sanction free of cost 40 copies of the electoral rolls of each division with amendments, to the Corporation As the preliminary publication of rolls have to be made on the 1st October 1953 early orders of the Government may kindly be communicated

Yours sincerely,

Henjerappa 7/9
